

## **Cumberland Valley Early College Pathway**

### **DUAL ENROLLMENT PROGRAM**

Earn College and High School Credits at the same time! Cumberland Valley and Harrisburg Area Community College have combined to provide an opportunity for students to begin the college courses while a student at Cumberland Valley. Qualified juniors and seniors (some courses required placement testing) have the opportunity to earn General Education Credits through HACC.

These courses allow students flexibility in building their own academic pathway, engage in high-quality academic experiences, and save thousands of dollars through dual enrollment opportunities. Dual credit courses will be scheduled during Period 1&2 or Period 8&9 and are taught by HACC professors. Each course earns both College (3 or 4 credits) and High School Credits (1 CV credit per course). Each course is **\$100.00 per credit** plus cost of textbooks.

See below for tentative Schedule and Course Descriptions – but more courses will be offered and publicized once available. See Counselors if interested.

<b>Course Name</b>	<b>Course Description</b>	<b>Day/Time</b>	<b>Credits</b>
ENGL 101	The development of fluency in writing clear, forceful, effective prose. Prerequisite: Placement through the College Testing and Placement Program	Mon / Wed Pds. 1&2  1 <sup>st</sup> Semester	3
GEOLOGY 101	Studies the composition of the earth and the physical processes which tend to alter and shape its surface. Laboratory sessions include field trips through central and eastern Pennsylvania, the identification of common rocks and minerals, and the study and interpretation of topographic and geologic maps	Tues/Thurs Pds. 1&2  1 <sup>st</sup> Semester	4
ENGL 102	Builds on English 101, connecting thinking, reading and writing. Research, interpretation, and argumentation emphasized. Prerequisite: ENGL 101 with a grade of C or higher	Mon / Weds. Pds. 1&2  2 <sup>nd</sup> Semester	3
BIOLOGY 111	Explores basic biological principles by studying the structure and function of the human body with a focus on body systems. This course emphasizes homeostasis, the relationship of anatomy and physiology at all levels of biological organization, and the demonstration of life processes through the normal functioning of body systems. This is an introductory science course for nonscience majors and preparatory for students in Health and Public Service programs	Tues/Thurs Pds. 1&2  2 <sup>nd</sup> Semester	3
Fire Training Program	This course will include classes at CV plus 2 Saturday sessions at the HACC fire training facility. Designed to equip entry level firefighters with basic knowledge, skills and abilities. Topics will include: Introduction to the Fire Service, Fire Ground Support, Hazardous Material Operations and Heart saver First Aid/CPR/AED	Alternate: M/W/F Tues./Thurs. Pds. 8 & 9 -1 <sup>st</sup> Semester	
Emergency Medical Responder Program	This is a certification program through the PA Department of Health. This program teaches the basic knowledge and skills necessary to provide lifesaving interventions while awaiting additional EMS response and to assist higher level personnel at the scene and during transport.	Alternate: M/W/F Tues/Thurs. Pds. 8 & 9 -2 <sup>nd</sup> Semester

### **COLLEGE IN THE HIGH SCHOOL (CHS)**

These courses enable interested and qualified high school juniors and seniors to take college level courses at their high school during the regular school day. Participants are enrolled as provisional students of Harrisburg Area Community College (HACC) for the specific purpose of completing CHS courses and are entitled to take CHS courses at a significantly reduced tuition rate. Upon successful completion of a course, students receive HACC college credits, which have a high rate of successful transfer to other colleges and universities along with high school credit.

**Cost:** Students pay \$50 per HACC credit as well as textbooks/materials for each course (fees subject to change based on HACC)

The following College in the High School courses are offered at CVHS:

<b>Department</b>	<b>CV CHS Course</b>	<b>Placement Tests Required?</b>	<b>HACC Credits Rec'd</b>	<b>Addit'nal Costs</b>
Business	College Computer Applications	Yes	3	Materials: Approx. \$160
Business	College Marketing	Yes	3	Materials: Approx. \$180
Business	College Accounting	Yes	4	Materials: Approx. \$190
Social Studies	CHS US History 1	Yes	3	Materials: \$0
Social Studies	CHS US History 2	Yes	3	Materials: \$0
