

PROVIDING the SPARK to LIGHT CV CLASSROOMS

**EAGLE

MEANINGFUL STUDENT EDUCATIONAL EXPERIENCES

result from inspired faculty and students having the right equipment and resources. That's why the Eagle Foundation invests significant dollars in both the learning grants program and summer enrichment camps.

◆ LEARNING GRANTS

An average grant is approximately \$500, but may be higher if the project warrants the funds by benefiting large numbers of students

"We are beyond grateful for the opportunity to provide our students with decodable texts based on their skill needs. These texts align with the #ScienceOfReading with endorsements from the national Reading League organization. The students are so engaged, they don't even realize how much they are learning! Thank you!"

◆ SUMMER CAMPS

Our 2020 Summer Enrichment Camp schedule has a variety of camps including 8 full-day camps and 27 half-day camps

Thank you for your consideration in helping us to provide the spark within our CV classrooms.
